SUMMARY

Frontend and mobile developer who has been coding since age 15. Builds web and mobile products for the Mongolian market using Next.js, React, TypeScript, Flutter, and React Native. Worked on mapping and transport, government court-process digitization under NDA, ERP, e-commerce, AI gateway, and identity/SSO products. Focused on UI implementation, client-side features, user flows, API integration, debugging, and building prototypes. Deeply engaged in coding and developer experience: automates repetitive work, builds small internal tools, and continuously improves development workflows.

SKILLS

WEB

Next.js, React, TypeScript

MOBILE

Flutter, Dart, React Native, Expo

UI & PRODUCT

UI implementation, responsive layouts, user flows, debugging

INTEGRATION & WORKFLOW

API integration, Supabase integration, Git, Vercel, workflow automation, developer tooling

PROFESSIONAL EXPERIENCE

ICT Group Software Engineer · Oct 2024 – Present

- Contributed to **hamuga** – a mapping and transport product across Next.js web and a Flutter app; implemented client-side features, API integration, bug fixes, and UX improvements.
- Contributed to a **government court e-services mobile application (under NDA)** – a product supporting end-to-end digitization of court processes; worked on Flutter client-side features and API integration.

Zui Innovation LLC Founder / Product Developer · Jul 2026 – Present

- Prototyped and iterated ERP, AI gateway, identity/SSO, and other web and mobile products for the Mongolian market.
- Built user-facing product surfaces with Next.js, React, TypeScript, and Flutter.
- Integrated Supabase into application features.

Mindshift Technology Web, Mobile Developer · Jun 2023 – Oct 2024

- Developed an internal admin dashboard and a delivery management system.
- Developed React Native frontend features and user flows for a supply-chain ordering platform.

LANGUAGES

Mongolian – native

English – B2 (Upper Intermediate)

EDUCATION

Erdmiin Orgoo Secondary School (Нийслэлийн Ерөнхий Боловсролын Эрдмийн Өргөө сургууль), Ulaanbaatar – full secondary education, 2010–2022 · GPA 3.8
